Principal’s Message

I’ve arrived back from a nice month in Europe to find the school moving along at full speed while I’m still stumbling along with jetlag. I’d like to thank Mrs Pearson for once again managing the school beautifully in my absence. We are lucky to have a cohesive staff that work together wonderfully and have the skills necessary to keep Beresford Road running smoothly in all circumstances.

I am really looking forward to the Art in the Dark tomorrow night. It is great to have the opportunity to showcase students’ work in the Creative Arts field. Every student in the school will have a piece of art in the exhibition and the evening will also have performances from our dance and choir groups. Please make the time to visit the Art in the Dark exhibition on Wednesday night (5pm – 8pm) and help us celebrate the creative talents of our students. More information and a timetable of events are located in this newsletter. I’d like to thank Mrs Leverett and her planning committee for all their work leading up to this event.

I am pleased to see the XO computers up and running in most classes. After our trial last term in 3/4P and 1G we decided that this level of access to technology would benefit all classes so the decision was made to jump in and purchase one for every student and teacher. It will take a while to tweak out all the little issues (500 extra computers on the school network is a challenge) but we will get there and your children will have their own personal computer for the whole time they are here. I can’t wait to see the exciting new learning that will take place.

The rest of the term is already filling up quickly with excursions, parenting session, Stage 3 camp, Fathers’ Day and, in 2 weeks’ time, Book week! I’d just like to add a quick reminder for tonight’s P & C meeting at 7.30pm in the staffroom – all are welcome.

Flu season is here!
Influenza is spread from person-to-person through the coughing or sneezing of infected people. Remind your child about these good hygiene practices to minimise the spread of infection:

- Avoid touching eyes, nose or mouth. Germs spread that way.
- If you or your child develops influenza-like illness, seek the advice off your family doctor as you would with any other illness.
- The seasonal influenza vaccine, which protects against the pandemic influenza strain as well as two other influenza strains, is now available free to eligible people. More Information about the vaccine is available from the NSW Health Immunisation Unit’s [vaccination page](#).

Previous vaccination with the pandemic influenza vaccine, Panvax® is not a barrier to also receiving the seasonal influenza vaccine.

MONEY DAYS

**MONDAY, WEDNESDAY and THURSDAY ONLY.**

Please also make sure that all monies is in a envelope and clearly marked with child’s name, class, excursion. If money is paid via credit card please make sure this is marked on front of envelope also.

It is a Departmental policy that money not be kept on the premises so can you please assist by not sending money in on any other day. Please also make sure that money is paid on the due date by 10am as all the appropriate paperwork for the excursion must also be completed.

- Boys Soccer vs Toongabbie @ Binalong Oval
- OZ Tag vs Darcy Road @ Binalong Oval
- Netball vs Warriors @ Beresford Road PS

Bus 1 – OZ Tag, Soccer and Girls Soccer going to Binalong Oval

ATHLETICS CARNIVAL

Two weeks ago we held our annual athletics carnival at CV Kelly Park in Girraween. The venue was a new one for BRPS with a grass track which a lot of students were unfamiliar running on. The day ended being a huge success and I must thank the Girraween Little Athletics Club for allowing us to use their venue and for the support of our school sporting program.

In particular, I would like to thank Jo and Karen Farrugia and Shandelle Tautz who are members of the executive team of Girraween Little Athletics Club, for assisting me with setting up the ground and for running the canteen on the day. I would also like to thank all the parents who gave up their valuable time to assist myself and the teachers in running the carnival and for the parents who came along to cheer on their children.

Days like these are huge community events for schools and the support of the local community is very much appreciated by our school Beresford Road.

There was an outstanding individual performance on the day with a long standing school record broken:

ZONE ATHLETICS

The ZONE athletics teams have been selected and students are reminded to check the notice boards to see if they have been chosen in the BRPS team. If students have been selected they need to see Mr Wicks to receive the permission note to attend the upcoming Seven Hills/Wentworthville carnival which will be held on:

- Tuesday 26th August @ Blacktown Olympic Park, Doonside

ATHLETICS RIBBONS

The final results have been worked out and the BRPS Zone Athletics team has been finalised and athletics ribbons will be given out at Week 4’s Primary Friday Assembly.

CONGRATULATIONS to Mitchell Hagan

Congratulations to Mitchell Hagan from 2/3E who recently competed in the 2014 NSW/ACT/QLD Inter-schools Snowsports Championships in the ski fields of Thredbo.

Mitchell competed in the downhill skiing event against 108 other competitors and finished in 50th place, which is an outstanding effort considering we don’t have any snow in Western Sydney.

Mitchell tells me that for next year he is going to compete in the snowboarding events and we wish him all the best and further success in his winter sport endeavours.

CONGRATULATIONS to Timana Mikaere

Congratulations to Timana Mikaere from 5/6D who recently competed in the 2014 NSW Opens Rugby League Championships in Kingscliff. Timana was part of a very strong Sydney West team that managed to remain undefeated throughout the championships and was crowned State Champions.

Timana was part of history with not only the Opens Sydney West team winning the NSW title but also the 11’s winning the championships a few weeks earlier at Cronulla, which I was part of as the team manager/trainer. This hasn’t been achieved for a very long time in Rugby League at school boy level and is something very special.

Timana is also part of the Sydney West Rugby Union team which will compete in the NSW Championships in Kiama from the 19 – 21st August and we wish him well for the tournament.

Jerome Wicks -Sports Co-ordinator
Library News
Just a reminder that the book fair is on from the 15th August to the 20th August. The character parade is on Tuesday the 19th August.

Premier’s Reading Challenge
Congratulations to the following students who have recently completed the Premier’s Reading Challenge:

PBL News
Kids Matter Rule of the Week
Week 4 – Strive for Excellence – I am prepared
Week 5 – Participate – I have a go

As part of our Kids Matter survey, parents have shown an interest in having a parent information area. We have begun to facilitate this by organising a notice board and pamphlet wall in the library foyer. Please feel free to come and have a look and suggest any that are of interest you may want included on our community wall. Thanks again to the parents who completed the survey.

Mrs Akhurst on leave
Mrs Akhurst will be on leave in week 4,5 and 6. Mrs Pannucci will be taking her place. Mrs Akhurst will be returning to school on Wednesday 27th August

Home readers
The new home reading scheme is working well. Remember that for students to improve their fluency and vocabulary, they should read each book at least twice. The first time they may stumble on a few words or phrases and the second time they remember. It is even better, if you can stand it, for them to read it 3 or more times, not necessarily on the same night.

Please make sure you record the books your child reads or they may get the same book again. If they lose it, ask the teacher for another one.

If you can spare 10 minutes after morning lines to help change them, the parents there could always do with help.
Kaye Pearson

Yr 5/6 CANBERRA SNOWY EXCURSION FINAL PAYMENTS
There is only a few weeks left till the FINAL PAYMENT for the Year 5/6 Canberra/Snowy trip is due by Thursday 21st August, 2014 as per the original payment schedule.
Failure to pay the FINAL PAYMENT by the due date of Thursday 21st August could jeopardise your child’s place on the excursion and their spot may be given to other students who are on the waiting list.

SRC News
There will be a P&C Meeting held in the office staffroom at 7:30 tonight.

Helpers Wanted!
We need parents to help pack fruit and vegies for our school community every Tuesday at 12:00pm.

Beresford Road Public School has taken the initiative to start Harvest Hub. Every Tuesday at midday a delivery of fresh fruit gets delivered to our school. We currently have 10 teachers that are members and receive a bag of fresh produce each week. Before we can offer this wonderful program to the families at our school we will require parent helpers to pack the produce.

If you can help, please contact Mrs Leverett or leave your name and number with the office ladies.

Driving and parking safely near the school
School opening and closing hours are busy times for pedestrian and vehicular traffic outside the school.
• Always take extra care in 40km/h school zones, which operate on gazetted school days.
Well, 5/6D have had a very exciting start to Term 3 with the introduction of many new resources to the classroom. The roll out of the XO computers has begun and we were one of the first classes to discover just how much these lap tops can support our learning.

Students have started using their XOs during literacy groups to revise their spelling words and research reading and writing topics. They can reinforce new mathematical concepts introduced in class by accessing mathematical websites including: Cool Maths Games, IXL and Studyladder. Those students who do not have access to the internet at home have been keen to take the XOs to the library at lunchtime and complete set homework activities that they have had trouble accessing in the past. There are a range of applications on the XO that support students work in class including the Journal which allows them to type up notes and save them for later use or the Graphing app which allows students to create a range of relevant graphs to display and interpret the data they collect during mathematics, just to name a few.

In reading, students have been using the Classic Literature Reading Sets which are produced in three different levels to meet student’s individual needs. 5/D have already been introduced to a range of classics you may be familiar with including ‘The Wizard of Oz’, ‘Little Women’ and ‘Robinson Crusoe’. These cards contain extracts from the classics and are exposing children to different types of writing. They are accompanied by discussion points and activity sheets designed to develop comprehension skills and are leaving many students keen to borrow these classics from the library so they can read the whole story.

We have also been using the Macmillan English Writing Prompts to guide our writing in class. These prompts are allowing students to become involved in ‘rich tasks’ which teach them to follow an enquiry-based model of learning. This provides opportunities for students to learn large amounts of new content, whilst developing important skills and encouraging inter-disciplinary learning. And yes, they are enjoying it!
We have had a very busy start to the term with our annual Athletics carnival and preparation for the Art in the Dark creative arts spectacular planned for tomorrow night. Please come along and see how your child has experimented with different media this year to create a range of unique artworks.

**Vietnam**
Students worked with clay to create a set of wind chimes. When travelling through remote Vietnamese villages, it is very common to see wind chimes made from wood or clay as a *decorative element* in front of houses. The key feature of traditional Vietnamese wind chimes is that the top is made from *different, unique shapes*.

**Electricity**
Again we used different techniques and media including layering and attaching wool to create an artwork that depicted a typical urban landscape in New South Wales which highlighted ‘electricity’. Students found gluing the ‘electrical wires’ in place quite challenging but were very proud of their final artworks.

**Black and White Winter Collage**
Students used media, (strips of newspaper) to create this collage of a winter landscape taking particular care to incorporate different shades of grey, white and black.

Art in the Dark

You are invited to join Beresford Road Public School staff and students for a night of celebrating the arts.

Art in the Dark is a special school event that will showcase talented artwork from all the students in the school. Please come along and admire the students’ talents.

When

Week 4 Wednesday 6th August

Where

Beresford Road Public School Hall and primary quadrangle

Time

The exhibition will be open from 5pm till 8pm. You are welcome to arrive and leave at any time during the exhibition opening hours. Please see the performance timetable on the back of this invitation to help determine your arrival time.

Cost

We are asking for a gold coin donation upon entry to help cover the cost of the art supplies used to create the artwork for the event.

Please join us for dinner

The P and C together with Outback steaks will be cooking a barbeque and selling steak sandwiches for $5. A coffee cart will also be on site selling delicious coffee and refreshing cold drinks. Why not bring a blanket and have a family picnic?

This is a special event and all of the students have worked hard to produce their best quality work for the exhibition. Please come along and support our schools wonderful achievements.

FREE two day workshop and information sessions for PARENTS/CARERS of school age students on the autism spectrum

Workshop: 2014NSWPC10 Location: Penrith

The Positive Partnerships initiatives have been developed and delivered by Partnerships between Education and the Autism Community (PEAC) and funded by the Australian Government Department of Education, through the Helping Children with Autism package.

What will you learn?
As a result of participating in the workshops and information sessions as parents/carers you will gain:

- a greater understanding of the impact of autism on your child, both at school and at home
- knowledge about how to develop effective parent, school and teacher partnerships
- specific strategies on how to:
  - advocate for your child
  - support your child’s participation at school
  - develop an awareness of ongoing learning needs
- information about your local school system’s processes
- opportunities to network and share strategies with other parents/carers and key community members
- opportunities for discussion around a range of topics relevant to students with an ASD and their families

Some key community representatives that support families living with autism will be identified and invited to participate in the workshop with a view to supporting a community focus beyond the workshop.

Workshop details
Venue: Event Centre @ Panthers
Mulgoa Road, Penrith NSW 2750

When: Two day workshop – Tuesday 12 & Wednesday 13 August 2014
Day 1: 9.00 am - 4.30 pm (Registration from 8.15 am)
Day 2: 9.00 am - 3.30 pm

Registration opens Tuesday 1 July 2014 and closes 2 days prior.
Registration may stay open until one day before the workshop if spaces are still available, but we strongly recommend that you register as soon as possible.
You will receive a confirmation of your registration.

Online registrations preferred: please go to the website www.positivepartnerships.com.au.

Only complete the following form if you do not have access to the internet and fax or mail to:
Fax: 02 9451 9661; Mail: Positive Partnerships, ASPECT, PO Box 361, Forestville NSW 2087

Positive Partnerships Info Line number: 1300 881 971

The Positive Partnerships initiative is funded by the Australian Government Department of Education through the Helping Children with Autism Package. The views expressed in this publication do not necessarily represent the views of the Australian Government or the Australian Government Department of Education.
FREE two day workshop and information sessions for PARENTS/CARERS
of school age students on the autism spectrum

Registration Form

To Register please go to the website www.positivepartnerships.com.au
Only complete the following form if you do not have access to the internet.

This form allows you to register to attend the Parent/Carer Workshops and some information sessions
Each person attending must complete their own form even if from the same family.

The locations and dates for each of the Parent/Carer Workshops and Information Sessions were chosen through a collaborative planning process in each state and territory.

For more information, please contact parentcarer@autismspectrum.org.au or call 1300 881 971

The following information will help the Positive Partnerships facilitators best support you during the workshop
