Newsletter distribution
If there is anyone who is still receiving a paper copy of the newsletter but would prefer to get it emailed please contact the front office to be added to the email list.

2016 Kindergarten Enrolments
It is that time of year when we are getting ready for our next years Kindergarten enrolments, so if you or anyone you know needs to enrol their child for Kindergarten next year please come into our office and collect an enrolment form.

Online Payments
Please make sure that when you make an online payment using our new flexischools app that you still send in the permission slips to either the front office or the teacher with the receipt number on it.

P&C News

Spare Change Challenge
We are officially half way through our coin challenge for August and 3/4E have raised the bar pretty high. Check out the tally bar on page 2! There are only two collection days left, Wednesday 19th and 26th August. So there’s still time! We may have to give some of you bigger collection containers!

Fathers Day Stall
Fathers Day is just around the corner and the P&C have arranged for lots of fantastic gifts for Dad to show him how much you love him. This will be held on 2nd and 3rd September

Movie Night
Friday September 11th has been set aside for our Movie Night. Still a few things to work out. Watch this space!

P&C Meeting

Our next meeting will be held on Tuesday 1st September in the school staffroom. All are welcome to attend. Come along and see what we’re up to.
Library News

The Scholastic Book Fair finishes on Wednesday the 19th Aug. During this time children will have an opportunity to purchase books either for themselves or to donate to the school library. Books range in price from $2 to $25 (sets costing more) with the average book costing around $10-$12.

The Character Parade was held on Monday and was a great success. Congratulations to the following winners:

Congratulations to 1G who were issue 5 Book Club winners.

There is a new library system up and running for Term 3. It is called Oliver and is accessible by students from any school computer and at home. Students simply logon to their portal page and there will be an Oliver button. There are many features available to students including: search for resources within the library or on a website; see what is available or on loan; check what books they currently have on loan; see what they have overdue; look at their borrowing history; search World Book through Oliver; us Orbit to create a personalised search page; free e-books; author information; add book reviews; receive library updates and much more. This is an exciting new system that I think the students will enjoy.

Kids Matter

Reminder - It has now been a year since we asked parents to complete a survey for Kids Matter and we have made many changes from this information. We have created a parent information wall on suggestions that more information was required. We have community events and courses available for parents; have organised parent workshops; homework club; green team (gardening club); have every child’s face in a display to show unity and inclusivity; have researched a social skills and resilience program to be introduced next term; are in the process of revamping the ‘caught you’ cards; have extra information in newsletters around Kids Matter and much more..

It is now time for you to assess us again. We would like to hear if our changes have helped or if there is still more we need to do. There is an information sheet include in this newsletter on page 12 for your reference. Could you please follow the link and complete the Kids Matter Survey Component One only. The selected ‘period’ is Q2 April-June. Thanks very much.

http://www.kidsmatter.edu.au/primary/parentsurvey
This Survey will close on Friday 28th August.

As part of our Kids Matter initiative the ‘Bounce Back’ program will commence throughout the whole school this term. Bounce Back is a social and emotional skills program designed to support children in developing a stronger sense of wellbeing and to become more resilient, confident and successful. The first unit to be discussed in classrooms is Relationships. If you have any questions in regard to this program don’t hesitate to speak to your child’s classroom teacher for more information.

Rule of the Week

Week 6 – Respect – I use appropriate language

Week 7 – Be Safe – I walk around the school sensibly

Just a reminder to come and check out our parent information wall in the library foyer. There is information on community events and ideas to help with everyday life:

- Disability Links
- Child development
- Children with disabilities
- Dealing with anxiety
- Depression

- Events within our local community
- ADD/ADHD
- Finding assistance
- Men’s health
- How to eat well

This information will change on a regular basis so make sure you keep checking in! If there is a topic that you would like information about don’t hesitate to ask. If we don’t already have it we will find it for you.

Take a Peek Inside the World of 4/5G

This term we’ve created orreries showing our understanding of Earth’s place in space ...
... we’ve investigated how to measure earthquakes and we’ve created our own stress balls ....
... and we’ve dressed up and had some fun!
Top Tips for Parents from a Child’s Perspective

- I know I can't have everything that I ask for... I just like to ask, so please don't spoil me.
- I feel more secure when I know where my boundaries are. So don't be afraid to set some limits.
- I will take more notice of you when you talk quietly with me in private. So please don't correct me in front of others.
- When I make mistakes please remember I'm just learning. This helps me want to try again.
- I know I have to learn about the consequences of my choices even when sometimes I make a wrong choice.
- Sometimes I might say hurtful things when I think you are bossing me. I need your loving guidance.
- Sometimes I feel like I need a little more attention so I might seem a bit over sensitive.
- Sometimes I might look like I’m not listening. I tend to switch off to the nagging tone and I'm more likely to pay attention to a conversational tone.
- I can feel very disappointed when promises are broken. So please be careful what you promise me.
- Sometimes I don't get all the details straight. Please understand that I am doing my best to remember and explain.
- Sometimes I may feel frightened into not telling the whole truth even when I know it is the right thing to do.
- Sometimes I seem to be asking endless questions. Please be patient. I really like talking with you.
- Being consistent with me helps me know you are trustworthy and I can rely on you.
- It means so much to me when you don't think my fears are silly. They can feel so real and I need your respectful reassurance.
- Help me to understand that everyone makes mistakes, even you. We are all learning to become the best we can be.
- I learn that it's OK to say “sorry” and to admit when I am wrong, by knowing how it feels when you do the same to me.
- It must be hard for you to see me growing up so fast. I want you to enjoy every step with me.
- I learn and grow by experimenting and sometimes taking risks. This can be tricky for both of us.
- Your understanding and love is what helps me thrive and to be the best that I can be. Thank you.
