Principal’s Message

Vacation

Our current school term ends this Friday and, while I am always happy to have a break and spend more time with my family, I understand it can be a difficult time for some families with both parents working or trying to think of things to entertain kids for two weeks. We all need to keep our kids safe in the holidays so supervision is important. Always know where your children are and discuss safe places to play. Our Before and After School Care group run holiday care at Girraween which may help some families.

There is NOT a staff development day at the beginning of next term. School begins for students and teachers on Tuesday 6 October as Monday is a public holiday. Please remember that Swim School starts on the first day of Term 4.

Kindergarten 2016

We need to finalise our Kindergarten enrolments for 2016 early next term. We have orientation occurring on Monday 2 November and need to know our total numbers prior to that date. If you have a child starting next year, or know a neighbour that hasn’t informed the school, please do so quickly.

2016 kindergarten will need to attend two sessions (Monday 2/11/15 and Monday 9/11/15). Parents will need to attend an information session on the 2/11 but only need to drop off their children for the second session. The children will spend both sessions in the classrooms.

I also hope to identify the 2016 Kindergarten teachers before the orientation dates so that you will have a chance to meet them on the day.

Have a safe and happy holiday

P&C News

Spare Change Challenge

3/4E had their Pizza Lunch last Tuesday and from the photos I’ve seen, they thoroughly enjoyed it! The smell of Pizza has now left my car. Thank you to everyone who contributed.

Fathers Day Breakfast

The Fathers Day Breakfast went off with a bang! A big thanks to Dinka Austine and Beth Rich for all their hard work in bringing this together and getting up early for all our Dads. Also a thank you to Mr Leydon and Mrs Pearson for jumping on the BBQ and giving the P&C a hand and lastly to Matt Austine for jumping in at the end and helping out as well. It was a great turn out and breakfast was delicious.

Movie Night

What a great night! The weather was perfect and we had such a fantastic turn out! There are so many people to thank for their efforts in making it such a successful night. Firstly to Genevieve Begg, my partner in crime. Liam Tame and Mitch Geloven for taking on the role of the Popcorn Kings. The popcorn sold out and was yummy! Matt Austine for organising lighting for the SRC and being our main sponsor for the night. Without Matt and his company Elatum, this would not have been a free event, so a huge

thank you to you for your generosity. Jayson and Cameron from Cinepro Outdoor Cinemas. John and Vu from Goldcrest Security, and The Isaacs Family for organising for us to have two security guards for the night.
Also a big thank you to the store manager at Pemulwuy Woolworths for donating all the bread rolls for the bbq on the night and to Beth for organising this, he is always willing to help our wonderful school out with our events.
Thank you also to Mr Adams, Mrs Lee, Mrs Pearson and all the teachers, parents and students from the SRC who provided us with all the food for the night.
And last but not least, everyone who came along and sat under the stars to enjoy a fantastic movie and a great night out.

Uniform Shop

We are now online! For those that are unable to get to the Uniform Shop on the days that it is open, online ordering is now available through the Flexischools payment system.

Annual General Meeting

Just a reminder that our Annual General Meeting will be held in November. At this meeting a new committee (President, two vice presidents, secretary and treasurer) will be voted in along with the Fundraising committee and Uniform Shop committee. In order to stand for a position or vote at the AGM, you need to be or become a financial member at the October meeting which will be held on Tuesday 6th October at 7:30pm in the staffroom. All new people are most welcome to come along and participate.

Enjoy your holidays everyone, stay safe, and we'll see you back for Term 4!

Office News

Earn and Learn Stickers

Thank you to all our families for the wonderful collection of the earn and learn stickers so far. This information will all have to be entered in by the end of the term, so if you have any stickers still laying around the house can you please return them by Friday to the front office.

Student Lunches

We have had quite a few students coming to school without lunch lately. Can you please ensure that your child has both recess and lunch packed for them each day.

Uniform Shop News

Buy Your School Uniforms and pay for excursions online!

Our uniform shop is now online. You can now order all your child’s uniform needs from home and it will be delivered to your child’s class every Tuesday. As long as you order by Friday afternoon, the clothes will be delivered to you on Tuesday morning. If you have ordered the wrong size, either bring it back to the uniform shop, or drop it into Mrs Pearson at the office, with details of the size change and she will exchange it for the correct size.

You can also use this great new online payment system for School Fees, Events, Excursions, Incursions, PSSA & Fundraising . This system allows parents to make payments from home, work or school at any time. The payment is also done online, so less cash, cheques, and envelopes are sent via your student to school. As well as being convenient for parents, the online payments are much faster and easier for the office to process - so it makes everyone’s life a little easier. FlexiSchools is well established and tested, operating in hundreds of schools across Australia.

Getting online is easy and only takes a few minutes to register. Simply go to www.flexischools.com.au and click “Register Now”. You will be sent an email with further instructions on how to complete the registration. Once registered, you can start payments immediately. If you have any questions, FlexiSchools provide a great help desk on 1300 361 769, or you can contact them via their website.

There are a variety of payment options supported, including Visa, Mastercard (credit and debit) and Bank Transfer. The system operates via a pre-paid account, so you no longer have to worry about the manual process of sending payments into school, and you can easily budget your students spending and expenses throughout the year.

The system is now available, so we look forward to seeing your next payment or order online!

If you have any questions about the online services we are introducing, please ask Mrs Pearson or the school office for more information.

Thankyou
Kaye Pearson

Kids Matter

Tell Them From Me Survey (TTFM)

The students completed the TTFM Survey earlier in the year; it is now the parents turn. Our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school’s support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be concluding on the 16th October. Participating in the survey is entirely voluntary; however, your responses are very much appreciated.

To complete the survey go to:

For more information see attached flyer on next page.

Rule of the Week

Week 10 – Be Safe – I use computers sensibly
What is the Partners in Learning parent survey?

The Partners in Learning parent survey is part of the Tell Them From Me suite of surveys on student engagement. The parent survey helps to clarify and strengthen the important relationship between parent and school.

The survey is designed to measure, assess and report insights at the school and system levels. The focus of this NSW survey is on student wellbeing, engagement and effective teaching practices.

What kind of questions will the survey ask?

The survey questions aim at understanding parents’ perspectives on their child’s experience at school, including teaching, communication, activities and practices at home and the school’s support of learning and behaviour.

The survey will ask parents questions about:

<table>
<thead>
<tr>
<th>Parents feel welcome</th>
<th>Parents are informed</th>
<th>Parents support learning at home</th>
<th>Parent participation at school</th>
</tr>
</thead>
<tbody>
<tr>
<td>School supports positive behaviour</td>
<td>Safety</td>
<td>Inclusion</td>
<td>School supports learning</td>
</tr>
</tbody>
</table>

How have schools been selected to take part?

The survey is open for all NSW government schools to participate in at no cost to them. Your school has taken up this offer.

How will taking part in this survey benefit my child’s school?

The parent survey provides school principals and school leaders with parents’ perspective on their school as well as learning at home. Communication between parents and staff, activities and practices at home, and parent views on the school’s support of learning and behaviour all help build an accurate and timely picture that schools can use for practical improvements.

Data collected from the survey responses are quickly compiled into reports for school leaders. Principals can then use this information to help them identify emerging issues and plan for school improvement.

How does the parent survey relate to the student survey?

The parent survey is complementary to the Tell Them From Me student survey that your child may have been asked to participate in. These surveys are offered (along with a teacher survey) to ensure schools can capture the views of students, teachers and parents.

For more detail on each of the surveys, see the survey website [http://surveys.cessa.nsw.gov.au/](http://surveys.cessa.nsw.gov.au/)

What do I need to do to participate in the survey?

The survey typically takes 15 minutes and is conducted entirely online through a secure website operated by the survey developers, The Learning Bar. You will be provided with a link to complete the survey at home or your school may make computers available so that you can complete the survey during school hours.
Do I need to participate?

No, participation in the survey is optional. Whilst your responses are very much appreciated, if during the survey, you feel uncomfortable answering any question, you can leave it blank and move on to the next one. You can stop the survey at any time.

Will the school be able to identify me or my child from my responses?

Staff in schools will not be able to identify individual parents or students from parent responses. To ensure confidentiality, schools will be provided with a single username and password for all survey users. Where fewer than five parents respond to a question, the results will not be made available.

What sort of analysis will be done on the survey data?

Once the surveys are completed, reports are prepared and in most cases are available to schools within three business days. School leaders may use the data to better understand the experiences and views of parents at their school.

CESE will undertake state-wide analysis of the survey data in conjunction with existing student data held by the Department, including performance data. The results will help all schools better understand the relationship between parents and student’s engagement and wellbeing, effective teaching and student learning. Results from CESE’s analysis of this data will also help teachers and principals discuss what works to improve student outcomes. This supports the Department’s continuing focus on quality teaching and leadership. The data will be retained for future analysis to help us better understand the nature of student engagement and wellbeing over time.

When will the Partners in Learning survey happen?

The surveys will be conducted in all participating schools between Monday 17th August (Week 6, Term 3) and Friday 16th October 2015 (Week 2, Term 4).

What is the Centre for Education Statistics and Evaluation (CESE)?

CESE is part of the Department of Education and Communities. It has been established to improve the effectiveness, efficiency and accountability of education in NSW.

CESE will identify and share what works, creating new opportunities to improve teaching and learning across all education sectors.

What is The Learning Bar and what is their role?

The Learning Bar is a Canadian education company that specialises in school surveys. They have been contracted by the Department to run the surveys for NSW public schools. Its survey, Tell Them From Me, is the largest national school survey in Canada, used in nine of Canada's ten provinces. More than 2,000 schools and 1.7 million Canadian students have participated in the survey over the last nine years.

The Learning Bar has conducted surveys in Australia before, with schools helping to adapt surveys, ensuring they are appropriate to an Australian context. For purely administrative purposes, The Learning Bar will have temporary access to identifiable student responses to the survey questions. Other than The Learning Bar and CESE researchers within the Department, identifiable student responses will not be disclosed to any other person or body other than as required by law.

More information about The Learning Bar is available at: www.thelearningbar.com
