Principal’s Message

National Literacy & Numeracy Week

National Literacy and Numeracy Week is a great event to raise awareness of the importance of literacy and numeracy skills for all Australian students. Parents and carers can have a big impact on their children’s education. Over 40 years of research from around the world shows that when parents are involved in their child’s learning, it really can have a positive impact.

You are the first and most important influence on your child’s values and attitudes toward school and learning. Creating a home environment that encourages a love of learning from an early age can help your child to do better at school.

The following are tips published by the Federal Government on ways parents can help develop literacy and numeracy skills with their children, I hope you find them helpful.

Literacy
- Try to spend at least 10 minutes a day reading with your child. It is important to keep reading to your child even when they are able to read for themselves.
- Try to listen to your child read out loud every day. Reading out loud, even for a short time, can help build your child’s confidence in reading. Try asking your child to read notes, signs and menus out loud regularly.
- Try to have a range of different reading material available for your child at home, both fiction and non-fiction – this can include newspapers, magazines, instructions manuals, and comics, etc.
- Let your child see that you enjoy reading. Let them hear you discussing books with friends. Or if you don’t read for pleasure, look up information with your child in cook books, instruction manuals, phone books, atlases, the dictionary or on the internet.

Numeracy
- Talk positively about maths with your child – even if you struggled with it at school yourself. Staying positive about maths will help your child. Saying “I was bad at maths” can lower a child’s own expectations of themselves at maths and can give your child an excuse not to try.
- Talk to your child about how you use maths in everyday life – while shopping, banking, budgeting, cooking, driving, and keeping score in sports games, telling the time etc.

Help your child to see the real-life purpose for the maths they are learning at school e.g. when your child is learning fractions you could ask them:

- “How many slices will I need to cut the pizza into so that everyone has two slices?”
- “What fraction of the glass is filled with water?”
- “Can you cut up the apple to make six equal pieces?”

Play games with cards, dominoes or dice to help your child with maths. Try asking your child to tell you the number of dots on the dice each time they are thrown during a board game. Eventually they will be able to do ‘see’ the number without having to count the dots.

When you are helping your child with their maths homework and they get stuck, try to help your child solve the problem themselves by asking:

- “What is the problem asking you to do?”
- “How do you think we can work this out?”
- “Do you think you will need to use addition or subtraction, or do you need to use multiplication or division?”

Ask your child to explain how they work things out – e.g. “What is the question asking you to do?” and “How did you get that answer?”

With maths problems there is always more than one way to get the right answer. When you child thinks about how they figured out a problem, it can help concepts make more sense to them and build their confidence.

Encourage your child to practise the times tables and ‘mental computation’ skills – working out answers to arithmetic questions in their head. Give your child little problems to solve in their head. Try asking them to:

- estimate the total cost of a small basket of groceries before reaching the checkout
- work out the actual cost of discounted items (e.g. 25% off $20)
- figure out when you will arrive at a destination (e.g. “It is 4.15 pm now. It will take us 30 minutes to get home – what time will we arrive?”)

Talk with your child about how they feel about maths. They may not always be willing to discuss problems they’re having, but it is important to show your support and that you are interested in what they are learning.

Encourage them to practise, practise, practise! Maths is a learned skill that improves with practise. Encourage your child to get their hands on as much practise material as possible – and do it as part of a regular routine.

Fathers’ Day
I would like to take this opportunity to wish all our dads a happy Fathers’ Day and remind everyone that the P & C will be operating a Fathers’ Day stall on Wednesday this week.

Students involved in the Celebrating the Arts concert may purchase their gifts at 8.30, from 9.00am classes will be called one at a time to visit the stall. The stall will also open on Thursday morning from 8.30 to 9.00. The P & C are also providing a Fathers’ Day Breakfast on Friday from 7.00am.

Dads and kids are invited to share the free cooked breakfast, I hope to see you there!

P&C News

Spare Change Challenge

It’s over and the winner has been declared! Congratulations to Mrs E and 3/4E for a fantastic effort raising nearly $300 all on their own! It was a close race last week with Mr Bignell’s class raising the stakes, but in the end, there can be only one winner. All up everyone raised over $2500 to go towards resources for the school. Well done everyone!

Fathers Day Stall
Fathers Day is this weekend and the P&C have arranged for lots of fantastic gifts for Dad to show him how much you love him. Tomorrow and Thursday if stock permits.

Fathers Day Breakfast
Friday 4th September, treat Dad to an amazing breakfast cooked by our fantastic P&C members. No preorders necessary, just turn up and enjoy a bacon and egg roll with a coffee, tea or juice with the kids. 7am until 9am. This is a FREE event to say thanks to all our hard working Dads.

Movie Night
It’s happening! Friday 11th September, we have secured a fantastic movie and hope that everyone will come along. Bring along a picnic blanket and relax on the grass. The SRC will be selling drinks and snacks and have also organised a sausage sizzle. We will also have a popcorn machine, because what’s a movie without popcorn? Entry is FREE and the front gates will be open at 6pm for a 7pm start. A huge thanks to Cinepro Outdoor Cinemas and our sponsors for their support. We hope to see you there! We will reschedule incase of wet weather.

P&C Meeting
Our next meeting will be held TONIGHT in the School Staffroom. All are welcome to attend. Come along and see what we’re up to.

Check out the Flyers on the next two pages for all of the exciting events the P&C have organised!!

Catholic Scripture News
All Catholic students & their families are invited to the Nativity of the Blessed Virgin Mary Solemn Mass at 10 am on Sunday 6th September 2015.

The decorated statue of Mother Mary will be carried in a procession & will feature cultural flags & costumes. You are most welcome to carry the flags & dress in traditional costumes.

As it is also Father’s Day there will be a special blessing for all Fathers. This will also be a Children’s Mass. Look forward to seeing you there.

Thank you
Patricia Sequeira
OLQP School Co-Ordinator
Please Note: Anyone that is attending the Celebrating of the Arts on Wednesday will be able to purchase Father’s day presents at 8:30 in the morning before they leave.
The Winner of the 2015 Coin Challenge is 3/4E with $283.50

WORLD’S Greatest Fathers Day Stall
Wednesday 2nd, September 2015

Gifts from $1 to $12
If stock permits, we will also be selling on Thursday 3rd September
Library News

The Book Fair was a great success this year raising $5428.70

Thank you to all the parents who donated and purchased books from the fair. Our school earned $1628 of Scholastic Rewards to be spent on new resources for the library. Well Done!

Premier’s Reading Challenge

2015 was our most successful year yet, with 444 children finishing the Premier’s Reading Challenge.
